

Beginning of meditation:-

As I open myself to divine spirit this evening, I call upon Archangel Michael and ask for protection against any negative energies both seen and unseen. I ask and give my permission for the Christ Consciousness to enter into my heart so that I may be reborn of fire, if it is in alignment with Divine Will, so be it.

End of Meditation:

I give thanks for all that has been given tonight. I ask that my inner light, my divine light continues to learn and grow so that I may serve Divine Will to the best of my abilities. May I be of service to all mankind so that we may experience heaven upon earth, so be it.
